January, 2010

Dear Friend:

On February 2nd, Democrats in the 18th legislative district will pick our nominee for State Representative. **The hundreds of women (and our list is growing) who make up Women for Patrick Keenan-Devlin strongly urge you to vote for Patrick.**

We are all residents of the communities of the 18th legislative district - Evanston, Glencoe, Kenilworth, Rogers Park, Wilmette and Winnetka. We are fighters for choice, education, health care, employment, and equality. We are 20something. We are 40something. We are 60something. We are 80something.

We are working women. We are paying for college. We are changing diapers. We are students. We are kissing our grandchildren.

Our racial, ethnic, religious, and cultural identities and backgrounds vary significantly. Our life experiences differ dramatically.

**Yet, every single one of us enthusiastically supports Patrick Keenan-Devlin for 18th District State Representative.** We need a new way in Illinois politics. We support Patrick because of his record of progressive legislative accomplishment, his dedicated work in our community, and his vision for the future of our state. You can learn more about Patrick, volunteer, or contribute at [www.PatrickForIllinois.com](http://www.PatrickForIllinois.com).

**Join us on February 2nd to elect Patrick Keenan-Devlin.**

Sincerely,

***Women for Patrick Keenan-Devlin***
